A Proud Milestone for Anupam Incubation & Innovation Centre (KLIC-AIIC) ! With the deepest respect and gratitude, we extend our heartfelt thanks to our visionary leader, *Respected Dr. Anupam Chouksey Sir, Secretary, LNCT GROUP*, whose unwavering motivation and guidance continue to inspire and drive us toward excellence. His leadership has been instrumental in AIIC's journey of innovation and entrepreneurship. AIIC had the honor of being part of a prestigious event at *BITS Pilani, Goa Campus, marking a new era of **innovation and entrepreneurship**! From the grand inauguration ceremony to the symbolic *Deep Prajwalan, the event set the stage for impactful discussions on startup empowerment, technological advancements, and MeitY's vital role in fostering innovation* across India. A highlight of the event was the exchange of the *MeitY Genesis Agreement, solidifying our commitment to driving change. AIIC was proudly represented by Mr. Akash S.D. Rai, HoD, KLIC-AIIC, as one of the only three IA Centres from Madhya Pradesh!* The event concluded with a memorable photo session with all 63 Implementing Agencies, marking a united vision for technological excellence. This is just the beginning! We're committed to empowering startups, shaping the future of tech, and making a global impact!

Excitement begins! LNCT Faculty Olympiad Season 3 kicks off with thrilling Practice games today! Stay tuned for more action and fun moments!

About LNCT Group of Colleges: LNCT Group of Colleges is one of the oldest educational group in central India. It was founded in 1993 under the banner of M.K. Kalchuri Education Trust. Since then, with the commitment of "Marking towards being the Best", LNCT Group has achieved many milestones. It comprises Lakshmi Narain College of Technology (LNCT), Bhopal, a premier institute of the North Central India region (started in 1994). Lakshmi Narain College of Technology & Science (LNCTSS) began in 2006 along with Lakshmi Narain College of Technology Excellence (LNCTE) started in 2007. LNCT Group is one of the largest and most preferred Educational Groups for Engineering, Management, Pharmacy and Medical with ISO-9001 certification, NIRF Ranking, NBA accreditation for many Engineering courses and established AICTE-ICET Lab funded by AICTE, New Delhi.

About ICoEIT: The 2025 International Conference on Engineering Innovations and Technologies (ICoEIT) is technically Co-sponsored by IEEE Madhya Pradesh Section and LNCT Group of Colleges Bhopal. The International Conference on Engineering Innovations and Technologies (ICoEIT) serves as a vital platform for engineers, researchers, and industry experts to exchange ideas, present research findings, and discuss the latest innovations in engineering.

Call for Papers: Prospective authors are encouraged to contribute and help to shape the conference through submissions of their research papers. Original papers on the following indicative topics, but not limited to, are welcome to be submitted for the conference. Prospective authors are encouraged to submit full papers in PDF format not exceeding 4 pages in double-column includes all figures, tables, and references. The paper must follow the standard IEEE Formatting instructions. The I-Copyright form must be submitted by all the authors at the time of registration. IEEE Form can be downloaded from the link: <https://www.ieee.org/conferences/publishing/templates.html>
