**Summary Report: Eureka Idea Pitching Competition !!** The Eureka Idea Pitching Competition, organized by E-Cell LNCT under the esteemed leadership of President Shubh Tamrakar, was conducted successfully, marking a significant milestone in student-driven innovation and entrepreneurship. This dynamic event provided a unique platform for aspiring entrepreneurs to pitch their innovative ideas in front of a distinguished panel of judges, including industry experts and mentors. Participants presented a diverse range of ideas spanning various sectors, showcasing their creativity, problem-solving capabilities, and technical acumen. The competition fostered an environment of innovation, where students demonstrated their skills in *\*business strategy\**, *\*market analysis\**, and *\*financial planning\** as part of their pitch presentations. Judges evaluated each idea based on criteria such as *\*feasibility\**, *\*market potential\**, *\*scalability\**, and the clarity of the pitch. *\*Eureka\** was a highly engaging and insightful session that succeeded in nurturing the entrepreneurial spirit within LNCT.

Exciting Start for B Tech Freshers! We're thrilled to kick off the Induction Programme for our B Tech I Year students! Join us as esteemed leaders like Dr. Ashok Rai, Dr. Anuj Garg, and Dr. Amitbodh Upadhyaya share their insights. We're also honored to have Dr. Nand Kishore Meena, Dr. Yogesh Singh, Mr. Susheel Gupta, and Mr. Pankaj Jain joining us to inspire and guide our new batch! Get ready for a journey of knowledge, growth, and endless opportunities! #InductionProgramme #BTech #NewBeginnings #Inspiration #futureengineers

Inauguration of the Resource Centre of the National Cyber Security Research Council We are thrilled to share glimpses from the recent inauguration of the Resource Centre of the National Cyber Security Research Council at LNCT Group of Colleges, Bhopal! The event was a resounding success, bringing together experts, students, and faculty to celebrate this important addition to our institution. The centre aims to foster research and education in cyber security, equipping our community with vital resources.

The Smart India Hackathon (Internal) – Round 2, organized by the LNCT Group Hackathon Club on September 6th and 7th, 2024, was a resounding success. We are pleased to share highlights from the event, which showcased the exceptional talent, collaboration, and innovative solutions of our participants.

We are ecstatic to share that Ex Cadet Captain Pawni Shrivastava from LNCT Naval Wing has achieved an incredible feat by securing All India Rank 2 in the SSCW Tech 34 entry of the Indian Army! Adding to this remarkable achievement, Pawni got recommended from SSB Bhopal in her very 1st attempt—an extraordinary accomplishment that speaks volumes about her dedication, resilience, and unyielding spirit. Pawni’s journey is nothing short of inspirational. From excelling as a leader in the LNCT Naval Wing to standing out among the best at SSB Bhopal, her path has been marked by hard work, perseverance, and a passion for serving the nation. We wish you the very best as you embark on this new chapter with the Indian Army. Keep pushing boundaries, setting high standards, and inspiring everyone around you. The sky is not the limit—it's just the beginning!

*Congratulation*

**Ex Cadet Captain PAWNI SHRIVASTAVA**
