

# **Department of Electronics & Communication Engineering**

## **VISION AND MISSION OF DEPARTMENT**

### **Vision of the Department:**

To be recognized as Centre of Academic Excellence by imparting quality teaching and strengthening research and development activities with world class infrastructure in the field of Electronics and Communication Engineering.

### **Mission of the Department**

**M1:** To impart application-oriented and in-depth engineering knowledge in all relevant areas through effective teaching–learning processes.

**M2:** To establish and continuously enhance state-of-the-art laboratories and research facilities by promoting internal initiatives, industry collaboration and externally funded research.

**M3:** To equip students with practical skills, employability competencies and entrepreneurial abilities to meet current and emerging professional requirements.

**M4:** To inculcate teamwork, ethical values, leadership qualities and professional responsibility among students for successful engineering practice and societal contribution.
