Role & Responsibility: The Role and Responsibility of PAQIC are as follows: -

1. To develop, implement and monitor Quality Parameters for various academic and administrative activities within the department.
2. To create a learner centric environment.
3. To collect feedbacks from stakeholders, take necessary action and measure the effectiveness.
4. To compute and continuously monitor attainment of PO and POs.
5. To evaluate program effectiveness and take necessary steps for continues improvement.
6. To motivate faculty and student to attend workshops. Develop projects, working modals, paper publications and research.
7. To interact with the student, faculty members, program coordinator and external stakeholders to understand the effectiveness of program in order to achieve the PEOs.
8. To enhance research activities.
9. To build organized and systematic methodology of documentation and internal communication.
10. To encourage professional body activities among the faculty and students.
11. To set targets for PO attainment.
